# Piggy Bank Pageant Contest Guidelines

it's important to save money to buy the things you want in the future. Use your creativity to make a Piggy Bank to hold the money you save!

- Though we love for parents to take an interest in and encourage this project, the child/4-H member should do the work on the bank.
  - Age Groups/Categories range from Pre-K to 12th grade.
- Your bank doesn't have to be a pig -- it can be ANYTHING! You can also make your bank from anything except glass. Recyclables are encouraged but not required.
  - See previous winners at <https://voteforthepig.tennessee.edu>
- Banks should measure no more than 12" x 12" x 12".
- There should be a way to put the money in and get it out without destroying the bank!
- Banks should be sturdy enough to be transported for display without falling apart or anything falling off.
- Bank entries will be accepted at any Tennessee State Bank within Sevier County between February 24th to March 10th, 2025. (10 Available Locations)
  - They will provide you with a FREE Financial Education Goodie Bag at each location.
- Local winning entries will be notified by phone after March 11th.
  - The first (1st) prize for each age category will be a \$25.00 check from Tennessee State Bank.
  - Each category's second (2nd) prize will receive a \$20.00 check from Tennessee State Bank.
- All entries should be picked up from March 12th by the end of the workday on Friday, March 14th at the King Family Library (408 High Street, Sevierville).
- Any entries not discarded by March 14th will be thrown away!
  - **Each participant must have completed page 3 of this packet and attach it to their bank with the appropriate age category highlighted to be eligible to win.**

**IF ANY OF THESE GUIDELINES ARE NOT MET,  
YOU WILL BE DISQUALIFIED!**

## State Competition Details
