

NOTE TO PARENT...

Your child is invited to participate in The University of Tennessee Extension's 4-H Piggy Bank Pageant. To enter, he or she will need to use imagination and creativity to handcraft a Piggy Bank. The guidelines are attached to this letter. Please get in touch with a nearby piggy bank drop-off location, or local library, or go to <https://sevier.tennessee.edu/piggybanks/> for a copy of the entry form.

The Piggy Bank Pageant is a county- and state-level Extension activity designed to help young people start the habit of saving early in their lives. County winners in each category will be eligible for a statewide contest held in April. First, second, and third-place entries in each grade category will be awarded small prizes at the county and state levels.

We hope you'll take this opportunity to encourage your child to make a Piggy Bank and talk to him or her about the importance of saving money. There are huge benefits to saving early in life!

If you would like more information about how you can build your savings, visit America Saves at <https://americasaves.org/>. If you would like to discuss your saving goals, visit your local bank or library or come by our UT Extension Sevier County Office.

THANK YOU!
